THE FIRST OPDTC INDOOR SHOW - DEDICATION

Lois Whitmire, Show Chair 2025

Marcie Jensen encouraged me to join the Sandia Dog Training Club in Albuquerque. Without clubs there are no trials. Marcie then encouraged me to steward with her several trials in addition to showing my own dog. What a phenomenal learning opportunity! Then she invited me to "Co-Chair" the May Sandia Trial with her for two years. Without volunteers there are no trials.

Marcie probably explained it best: "Think of your show and your club members as dinner party hosts (great analogy as Marcie was a fabulous cook and baker). You go to shows all year put on by other clubs. When you hold your trial, it is more about giving back to other clubs; those who compete in your sport."

My friend passed on December 7, 2024. I am dedicating our first indoor Old Pueblo show this December to my friend and mentor Marcie Murphy Jensen.

After the 2023 OP Show, which was the 75-year celebration, there was serious discussion about folding this club. There was no trial held in 2024. We no longer had a training director. Instructors faded away and the expenses to run a club (storage, insurance, website, etc.) continued to take from savings. We entered into 2025 with a commitment to go down trying.

So here I am, a first year Show Chair, with a heart full of appreciation. Thank you to our OP President, Lynn Hamilton – my wingman and friend. Appreciation to the entire OPDTC BODs and OP Club Members for the volunteerism. We are grateful to the trophy donors in this catalog. The expense of this new direction: Matting, Storage, Facility Rental, etc. gave most of us pause. But we were steadfast in the belief "If we build it, they will come."

Throughout the year we pondered if a small Obedience & Rally Club could make it. Alamogordo Club is the model we followed; a club with small entries to a vibrant indoor show. El Paso Club loaned us cross matting. Lubbock Club provided a method to get lunches done and matches organized. Sandia Club provided a success model with no-dog zones. The AZ TEAM to the north – Trial Secretary Deb Boehm; Judges Dawn Antoniak-Mitchell, Amber Mercier, and Nancy Craig all driving in to help get this first indoor show off the ground.

Finally, to all of this weekend's exhibitors – 425 entries in all! I am beyond humbled at the response to this new initiative. Enjoy the trial fellowship among fellow exhibitors. We share the passion for training our canine companions. Be kind. Be courteous. Enjoy this weekend!

"To Win the Game is Great, To Play the Game is Greater, To Love the Game is Greatest!"

REMINDERS TO EXHIBITORS - IMPORTANT TRIAL INFORMATION

- Thurber Hall will be open for set up from 1:00 PM – 6:00 PM on Thursday, Dec. 11, 2025. Exhibitors may bring in crates, chairs, and other equipment during that time and set up in designated areas. The official AKC O/C Match begins at 2:00 p.m. on Thursday. If someone is signed up for the match and traveling in, know that your time will be honored should you arrive after your turn. Friday and Saturday matches will begin 15 minutes after all Judging Books are submitted to the Show Secretary.
- Officers and Club Members of Old Pueblo Dog Training will be eligible to compete at these trials. Likewise, the Show Secretary, the Show Chair, and any other volunteers helping with the running and organization of these trials will be eligible to compete.
- CRATES & NDZ! All Participants are expected to have a crate/contained place where their dog can relax. In support of the AKC rule to “exit the ring with the dog under control” there will be definite NO DOG ZONES (NDZ) at this trial. This will include checking in, arm-band pick-up, checking the rally score board, etc. We will all work together to support each and every run at our trial without adding additional “proofing” as handlers compete, enter, or exit the ring.
- All dogs must always be on leash when on trial grounds except when in the designated warm up area or while competing in the ring. The entire Pima County Fairgrounds property is considered the trial grounds. For safety reasons flexi-leads may not be used in or around the building.
- Obedience and Rally Class Transfers will be accepted as space permits, in accordance with Chapter 1, Section 16a & b of the AKC Obedience Regulations, and Chapter 1, Section 15 & 16 of the AKC Rally Regulations. Requests for class transfers must be made in writing and presented to the Trial Secretary at least 30 minutes before the start of each day’s trial (and preferably the day before!). Forms will be available in a book at the Secretary’s Table during the Trials. Prior to Friday, December 12, 2025 pre-trial transfer requests may be made by emailing the Trial Secretary.
- Obedience and Rally jump heights will be organized by jump height to the extent possible. Running Order in classes involving jumping exercises will be small to tall each day.

- All Rally classes will have a walk-through for handlers without their dogs prior to the start of judging for that level.
- In the Novice A, Preferred Novice, and Beginner Novice Obedience classes, a walk-through prior to the start of the class will be held for handlers without their dogs. The judge will be available in the ring during this period to brief the handlers and answer any questions they might have.
- No dogs may be left in the building overnight. Exhibitors are responsible for cleaning up after their dogs and leaving their crating areas clean.
- The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone or need help, please call 800. 656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.
- In the event of a tie score, any dog not present for the runoff forfeits its rights to the ribbon and/or trophy.
- **IMPORTANT GROUNDS/PARKING INFORMATION:** While December can be cooler in Tucson, no dog should be left in a car without adequate ventilation (Windows down, Hatch door raised, etc.) as the sun still can heat up a vehicle even on a cooler day in the desert. ***We will take action to rescue and report any dog deemed to be in a potentially harmful situation to any Show Committee Member.***

AMERICAN
KENNEL CLUB

AKC[®] Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC[®]) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

Everything We Do,
We Do for Dogs.
